Alexandre Dossin : Sergei Prokofiev - Visions Fugitives, Op. 22 (Schirmer Performance Editions) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sergei Prokofiev - Visions Fugitives, Op. 22 (Schirmer Performance Editions):

(Schirmer Performance Editions). 20 short pieces packed with the unique harmonies and melodies which set Prokofiev apart as a distinct voice in 20th century piano literature. With historical and performance notes. Late Intermediate to

Advanced Level.
