The cd provides nice recordings, and the book lays flat easily. It seems to be a well made and well edited edition. 0 of 0 people found the following review helpful. Excellent contemporary works! By Kathy in Denver Super as a set for collegians or professionals, these also provide an introduction to real, interesting

contemporary piano works at the Late Intermediate advanced levels.

(Schirmer Performance Editions). 20 short pieces packed with the unique harmonies and melodies which set Prokofiev apart as a distinct voice in 20th century piano literature. With historical and performance notes. Late Intermediate to Advanced Level.
