Vocal SelectionsBy laraWe've never seen this musical on stage, but my son't school is doing the Junior version and he fell in love with the songs and wants to learn them - that was the reason for ordering this book. The only complaint we have is the omission of one of our favourite songs from the show - "Here on Who" - somehow it was not considered worthy to be selected - it's a great song and hopefully it would be included in a later edition.0 of 0 people found the following review helpful.
