By a reader I'm new to this classic game and this player's guide has been extremely helpful in understanding all its aspects. I have the Nintendo Wii version of the game and it came with a very bare bones instruction booklet so I almost feel like this an essential purchase for novice players who have the console version. Trust me, this will maximize your pirating joy! 1 of 1 people found the following review helpful. A great addition to a superior game! By Seaquester Get this guide and let it help you with the game! Improve your dancing.. Get more gold... Find the relatives faster! A great companion to the game. 2 of 3 people found the following review helpful. Pirates By Charles L. Sales Simple, concise and well written strategy guide for a very good computer game. Helped me immensely. I highly recommend this book.
