Warren Leight, Frank (ACT) Wood, Garret (ACT) Dillahunt : Side Man (Library Edition Audio CDs) (L.A. Theatre Works Audio Theatre Collections) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Side Man (Library Edition Audio CDs) (L.A. Theatre Works Audio Theatre Collections):

A Tony Award winner for Best Play, Side Man delves deep into the postwar New York jazz underground through the

life of a celebrated musician and his dysfunctional family. Warren Leight used his own experiences as the son of a jazz musician to create Gene, a talented but emotionally incompetent trumpeter whose pure devotion to music comes at the expense of his relationship with resentful wife Terry and their self-sacrificing son, Clifford. A L.A. Theatre Works full cast performance starring Frank Wood as Gene, Garret Dillahunt as Clifford, Christine Lahti as Terry, Kyle Colerider-Krugh as Ziggy, Kevin Geer as Jonesy, Joseph Lyle Taylor as Al, Stephanie Zimbalist as Patsy, and live sound effects by Tony Palermo.
