**Andrew Kambites : Signals Discards for You (Master Bridge Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Signals Discards for You (Master Bridge Series):

0 of 0 people found the following review helpful. Five Stars By feng chian Good

Good communication between bridge partners is essential if the opponents' contracts are to be defeated, and in this book Andrew Kambites shows that the secret lies in keeping the systems as simple as possible. He explains the function of signalling, when not to signal, and describes the basic points that need to be mastered. He also gives a series of testing questions in quiz form, together with detailed answers to ensure that readers understand the points raised.

About the Author Andrew Kambites is a leading English bridge teacher and author and lives in Stroud, Gloucestershire.
