Valle If you are going to play Downpour, you will need to check the Internet a lot, or just have this book on hand. The puzzles in Downpour are stupidly and annoyingly difficult and sometimes I needed this book to continue. I give it four stars because the print is tiny and almost impossible to read sometimes. 1 of 1 people found the following review helpful. silent hill downpour strategy guide is needed unless you want to get lost in this game and believe me i did and it wasn't fun By thomas henry A lot of silent hill fans didn't like this game saying it didn't save at the checkpoints well mine didn't either but later on in the game it starts you'll see so thats why i got this guide it's hard you can get lost fast and the mine cart ride has bats during it so you will need this guide 4 of 4 people found the following review helpful.
