May be too tough.0 of 0 people found the following review helpful. Three StarsBy meowsockscareful attention needed very interesting2 of 2 people found the following review helpful. FinallyBy SpurkyFinally found a maze book that made my son work at getting to the end of the maze. He love it!

This one is for maze lovers! they aren't just tough, they're REALLY tough! There 5 different types of mazes in this 100 page book (8.5x8.5 inches) and they go edge to edge on the page! Like we said in the title - you've got be good to finish these! From the makers of Scrawlables, find more cool books at www.scrawlables.com.
