Jack Ketch : Sit Solve Hangman for History Buffs (Sit Solve Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sit Solve Hangman for History Buffs (Sit Solve Series):

Sit Solve Hangman is just like the paper-and-pencil versiononly better! Just scratch off one of the 26 silver circles to see what's underneath, and if its in the puzzle. But make sure not to get six wrong letters . . . or you're headed for the

gallows! Each book contains 93 puzzles. Play any time you want, alone or with others. Its loads of fun. How well do you know history? Buffs will have a blast trying to figure out the blank words and avoid the hangman. The Bronze Age, Louis XIV, World War II: any period or person can turn up!
