**Jack Ketch : Sit Solve Tough Cookie Hangman (Sit Solve Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sit Solve Tough Cookie Hangman (Sit Solve Series):

0 of 0 people found the following review helpful. Do not buy this bookBy JoanneGreat idea but this is a terrible book. None of the puzzles have titles, themes, or clues and all are impossible to solve. Four of us worked on them to unending exasperation.

Are you a tough cookie? A super-solver whos in the mood for a challenge? With these tricky word puzzles you wont be left hanging even if no one else is around. Sit Solve Hangman is just like the paper-and-pencil version only better! Just scratch off one of the 26 silver circles to see what's underneath, and if its in the puzzle. But make sure not to get six wrong letters . . . or you're headed for the gallows! Play any time you want, alone or with others. Its loads of fun.
