Steve Ryan : Sit Solve Travel Math Puzzles (Sit Solve Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sit Solve Travel Math Puzzles (Sit Solve Series):

These intriguing and varied math and number puzzles with mystify solvers and make the hours spent travelling speed by. All that's necessary are some basic addition, subtraction, multiplication and division skills...at least at the start. But beware! Some of the many magic squares, mazes, logic problems and matchstick maneuvers could be deviously lying in wait to trick your thinking, not your maths.
