From Kalmus Classic Edition : Six Duets for Two Flutes (Kalmus Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Six Duets for Two Flutes (Kalmus Edition):

0 of 0 people found the following review helpful. Very interesting and fun for musicians who can read rhythm well By Customer Wilhelm Friedemann Bach was JS Bach's eldest son. The counterpoint in these duets is about as advanced as 2 part tonal counterpoint can be. Very interesting and fun for musicians who can read rhythm well, and all the duets go through interesting modulations. This particular edition isn't that easy to read--the print is small and looks crowded on the page. That's the trade-off for getting all 6 duets in one volume, for a reasonable price.

A cleanly printed edition of all six flute duets by Wilhelm Friedemann Bach, son of Johann Sebastian. Both parts are

included in the book. KALMUS EDITIONS are primarily reprints of Urtext Editions, reasonably priced and readily available. They are a "must" for students, teachers, and performers.
