### **Ludwig van Beethoven, Music Scores : Six Great Piano Trios in Full Score (Dover Chamber Music Scores)**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Six Great Piano Trios in Full Score (Dover Chamber Music Scores):

0 of 0 people found the following review helpful. Five Stars By Priscilla A good reference score, inexpensive but reliable, reproduced from the original score of Breitkopf and Hartel. 1 of 1 people found the following review helpful. Great Music, Quality Score By muse4ik As a composition student I spend a lot of time studying scores and these dover scores are usually a great value. These trios are great pieces of chamber music and the score is of excellent quality as well, clear accurate and easy to read. The full score format might be a bit awkward if you are trying to perform the trios with it, a lot of extra page turns and such, but for study it's perfect. 0 of 0 people found the following review helpful. Great score By Darwin I am a big Beethoven fan and this book will allow me to study the composition as well

as his construction of music. It is large, easy to read and in expensive.

Here are six of the most studied, performed, and recorded trios for piano, violin, and cello. They include the popular trio in D Major, Op. 70, No. 1, which was named the "Ghost" trio by Beethoven's student, Carl Czerny, who thought the eerie second movement suggested the specter of Hamlet's father. Additional works include the trio in E-flat Major, Op. 1, No. 1; the trio in G Major, Op. 1, No. 2; the trio in C Minor, Op. 1, No. 3; the trio in E-flat Major, Op. 70, No. 2; and the trio in B-flat Major, Op. 97, also known as the "Archduke" trio. These works are reproduced from the authoritative Breitkopf and Hrtel editions. Durable but inexpensive, this edition features a sturdy binding that allows pages to remain open on music stands for years of use and enjoyment.

About the AuthorThe triumphant genius of Ludwig van Beethoven (1770-1827) casts a long shadow over classical music no other composer of the past two centuries has exercised an influence more profound than his. A product of the classicist generation, he was the first of the Romantics, and his exhilarating works remain undiminished in their powers of enchantment.
