Johann Sebastian Bach, Paul M Fleury : Six Suites for Cello before purchasing it in order to gage whether or not it would be worth my time, and all praised Six Suites for Cello:

The Bach Suites for cello (BWV 1007-1012) is a standard literature for cello from Advanced Beginner to Professional. There are many editions of Bach out there and it can be difficult to choose which edition to use. All the great old masters, as well as the new masters have editions where their fingerings and bowings are used and taught by them and their contemporaries. This particular edition is edited by Julius Klengel, and is a reprint of the authoritative Breitkopf Hrtel, n.d.(ca.1900) edition, plate 22879 Edition Fleury 2013. Blank staff paper and notes paper is provided in the back for annotations, exercises, and general marks to be used. Very clean and easy to read. 52pps, 8.5"x11", Glossy cover,

very durable.
