review helpful. Must HaveBy R.C.This was a gift my son received for his 6th birthday in Oct. Mind you, he didn't even have the game because I didn't think he was ready for it. Boy, was I wrong. I purchased this copy for my nephew. I scored high points in the "fav aunt" scale. Skylander aficionados , this is a must have book. Great read for car rides, play dates, field trips, etc. We are looking forward to the Skylanders Swap Force Guide which will be released 6/26/14.0 of 0 people found the following review helpful.
