BradyGames : Skylanders Giants Official Strategy Guide (Bradygames Official Strategy Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Skylanders Giants Official Strategy Guide (Bradygames Official Strategy Guide):

20 of 20 people found the following review helpful. GREAT VALUE WITH VERY HELPFUL TIPS AND INFORMATIONBy Fun Times MomSkylanders Giants is a little more complicated to go through without this guide than the Spyro's Adventure version of the game. It may not get you to 100% completion, but it will help with going to bed at a more reasonable hour. It is a reasonable investment for around \$13.00. Giant's has a lot more puzzles and card games to do within each level, which means more time to complete. You get a detailed Charactered Profile page including upgrades and strategy, the overview map of the level, where all of the Legendary Treasures are, the Story Scrolls, the Hats, the sequences for the Lock Puzzles, the items in Auric's store for the level and your opponents hand in Skystones(the new card game). This book does include some new information on Quests. All Skylanders have 9 quests you can choose to complete. There are unique special quests for each skylander, universal quests and elemental quests. It doesn't list all the quests in the chapter dedicated to quests but it does list how to achieve the elemental quests. You can actually find the skylanders individual "Special Quest" on their own personal summary page. It lists the ownership accolades, the achievement accolades, the hats and what increases they give you(for the most part). I've run across one hat that wasn't included in the summary chapter but it was included in the overview of the level and how to find it. It also describes Brock's arena challenges and Auric's items available in his store within their own chapters. One of the biggest tips that it gives you is where to find the 4 Luck-O-Tron wheels. They are pretty hard to come by on your own and provide bonuses or boost your Skylanders' abilities. For your money you get a lot of help

for the many challenges that you will face. 12 of 12 people found the following review helpful. Nothing worse than a book you can't read
By Customer
The Kindle edition of this book is impossible to read. You can't enlarge the text or the page, and the font is so tiny that it's practically illegible. My son loves using my Kindle Fire, and I thought that the convenience of downloading the book would offset the fact that you can't get the stickers. Wrong!
Now, I'm off to buy a "real" copy of the book, and I'm out the 9.99 that I just wasted on the e-book.
1 of 1 people found the following review helpful. This review is not for the guide it's for condition of delivery from AMAZON WAREHOUSE!
By Anonymous
The Giants strategy guide is helpful as I looked at it in the store but chose to purchase from since I'm a prime customer. I received the guide and was anxious to open it and wrap it for my nephews birthday party. When I opened it it smelled like an ash tray! This came from the warehouse! Apparently, they allow smoking in the warehouse. The guide would not air out...I tried that. The smell of cigarettes was all over my hands and not pleasant. I don't mind people who smoke but I honestly don't expect to receive items smelling of cigarettes from . That said I will not be renewing my membership since it's going up to \$99 a year and oh yeah they charge a restocking fee for returned items. Very frustrating.

BradyGames Skylanders Giants Official Strategy Guide includes the following: Something BIG is coming in the Skylanders Giants Official Strategy Guide from BradyGames! Discover the attacks, special upgrades, and Wow-Pow Upgrades for every character, including the 16 new Giant and Light Core Skylanders.
