BradyGames : Skylanders SWAP Force Signature Series Strategy Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Skylanders SWAP Force Signature Series Strategy Guide:

28 of 29 people found the following review helpful. NICE OVERALL GUIDE FOR THE MONEY...By Fun Times Mom This guide is the third guide for the newest of the Skylanders' Games called SWAP FORCE. If you have realistic expectations... you won't be disappointed in the 317 page value! There is A LOT OF INFORMATION FOR THEM TO COVER IN THIS GUIDE. They make it in a hardback version for a reason, it is Very Thick! IF ALL YOU ARE

REALLY INTERESTED IN IS THE MAPS, THERE IS AN OFFICIAL BRADYGAMES MAP APP THAT IS ADVERTISED IN THE BACK THAT IS AVAILABLE FOR BOTH APPLE AND ANDROID DEVICES FOR ONLY \$2.99.IT WILL SHOW:HATSLEGENDARY TREASURES BONUS MISSION MAPSSTORY SCROLLSSOUL GEMSTREASURE CHESTSWINGED SAPPHIRESON PAGES 6-7..You meet the ORIGINAL SKYLANDERS. It lists small round pictures of each one of the characters of the first game with a symbol for their element and their name underneath. It doesn't discuss their battle strengths and weaknesses. It also lists the magic items from the Adventure packs and has a brief discussion about what they do. Since this guide is for SWAP FORCE it doesn't tell what the Volcanic Vault used to do but it does tell you that it will cause a rain of fire to fall down from the sky when it is put on the portal for SWAP FORCE.IT ALSO TELLS YOU EFFECT OF ATTACK FOR SWAP FORCE THAT WERE FROM ADVENTURE PACKS FROM THE FIRST GAME:DRAGON'S PEAK=FIREBALLSEMPIRE OF ICE=ICE SHARDSDARKLIGHT CRYPT=SHADOWY ORBSPIRATE SHIP=CANNONBALLSON PAGES 9-10..You meet ALL THE FIGURES FROM GIANTS in a similar small circle format. It lists the Giants, New Figures, Series 2 Figures Lightcore Figures, Alt Deco(which are the specials or variants)etc. It covers the Dragonfire Cannon and the Scorpion Striker and how they assist in battle.It mentions the sidekicks without a picture..ON PAGES 11-13..You meet ALL THE FIGURES IN SWAP FORCE in the same format as above(about 1 inch). It starts with the Swap Force figures, then the New Figures, Series 2 figures, Series 3 Figures, Legendary Figures, Lightcore Figures and then the Alt Deco figures. It lists all the Dark figures from the Gamestop Starter Pack, the Enchanted Hoot Loop(Walmart) and Nitro Magna Charge(Target) which are all available at launch. It doesn't list All of the Specials that will be available but it does list a few that aren't out at launch. It lists a Nitro Freeze Blade(probably at Target in the future) and an Enchanted Star Strike Lightcore(probably at Walmart in the future). I know there will be a "Jade" figure this year and a "Jolly" figure. I have NO Idea, but maybe these won't be true variants in the sense of appearing different in the game so they didn't put them in the book. They didn't list Pumpkin Head Eye Brawl which doesn't appear different in the game but.. Who Knows??? Then it follows up with pictures of the Magic Items that will be available with additional Adventure packs and Battle Packs with Swap Force and what they do. FOR ALL MUSIC LOVERS..THE GROOVE MACHINE WILL PLAY MUSIC SO YOUR ENEMIES DANCE AND QUIT ATTACKING YOU(FROM SHEEP WRECK ISLANDS)..LOLAfter this quick synopsis it discusses each figure in detail that is associated with Swap Force except the Alt Deco which are just different appearing figures in the game with slightly different stats. It lists each of the individual characters special quests with a little advice on how to accomplish. It shows small pictures of each of the upgrades available for purchase with their amount of coins needed for each.What else does it have:*Lists-Elemental quests, General quests*Minions-How to attack*Maps-Each level- with Soul Gems, Hats etc.*Maps-Adventure Pack and Battle Packs*Map of Woodburrow(home base)-Details ie; appearance of Rainbow Road from 3-6pm*Lists all the Swap Zone Challenges in each level-(evidently there are eight abilities that you need that aren't linked to their elements)ie; you need a "Digger" Grilla Drilla(Life) and Rubble Rouser(Earth) will have this ability. It also explains the star requirements for each of the Swap Challenges. Three stars might require 53 seconds left in the challenge, for instance.*Lists the Bonus Missions-(one way you earn stars as a Portal Master)-How to accomplish them*Arena Mode- What to expect and how to get more stars*Changes in Time Attack Mode vs Story Mode- Requirements*Score Mode-Use Nightmare Mode etc.*Lists-Collectibles-Hats, Charms, Story Scrolls, Bonus Mission Maps, and Legendary Treasures*Lists-Accolades*Lists-Achievements TrophiesARE YOU STILL WITH ME?QUICK SUMMARY...SO OTHER THAN GIVING AN INDIVIDUAL PAGE FOR THE ALT DECO AND GIVING MORE FREQUENT ADVICE ON WHICH PATH TO CHOOSE FOR EACH CHARACTER, SLIGHTLY SMALLER/LESS DETAILED VERSIONS OF THE MAPS.. I AM SATISFIED WITH THE INFORMATION GIVEN..HENCE FOUR STARS. THE APP MIGHT GIVE BETTER MAP VIEWS ON A PAD SOURCE.. I DIDN'T PURCHASE IT.10 of 10 people found the following review helpful. The Kindle version cannot be zoomed. Almost impossible to read.By Yeong Joon YoonI downloaded the Kindle version in my ipad and iphone.This cannot be zoomed.Definitely impossible to read in iphone and almost impossible to read in ipad.(If you are a 10 year old kid with good eyes, you might be able to read in ipad.)The instruction says you can zoom if you double click, but this never works.Even one star is a too high rating.3 of 3 people found the following review helpful. Great GuideBy Kindle CustomerI chose a 5 star rating because I bought this guide for my grandson and he absolutely loved it! The guide has vibrant colors and graphics. It also has an abundance of information about all different types of Skylander figures. I also have to say that the shipping time was quick and I was extremely happy with the packaging! Highly recommend!
