**Antonin Dvorak : Slavonic Dances, Op. 46 in Full Score** before purchasing it in order to gage whether or not it would be worth my time, and all praised Slavonic Dances, Op. 46 in Full Score:

2 of 2 people found the following review helpful. Slavonic Dances, op. 46 in Full Score, Antonin Dvorak By Hermes Camacho A great score to Dvorak's great masterpiece. The book is very easy to read and lies flat on a desk or music stand. Though it's the smaller sized score (8 1/2in x 11in), it's still very ideal for study or enjoyment. It's low price is a must for the starving music student. I highly recommend it for professionals and listeners alike.

A masterwork of the great Czech composer, one of the most popular in the orchestral repertoire, reprinted from an

authoritative Czech edition.
