Marshall Fey : Slot Machines: A Pictorial History of the First 100 Years of the World's Most Popular Coin-Operated Gaming Device before purchasing it in order to gauge whether or not it would be worth my time, and all praised Slot Machines: A Pictorial History of the First 100 Years of the World's Most Popular Coin-Operated Gaming Device:

0 of 0 people found the following review helpful. Fast delivery and the book was in excellent condition. Highly recommendBy Biker GuyVery interesting history of slot machines for anyone interested in them. Fast delivery and the book was in excellent condition. Highly recommend.0 of 0 people found the following review helpful. Five StarsBy Michael P. WileySuper fast service,I'm impressed 0 of 0 people found the following review helpful. Five StarsBy David Fowlerworks as it is supposed to

It is all here! The complete and colorful story of coin-operated chance machines from the time they first became prevalent in the early 1890's up to the coin gaming found in today's casinos. Included in the exciting history of this major industry are the pioneers, inventors, manufacturers, and operators, There is also over 400 photographs, mostly in full color of slot machines of every imaginable genre. The slot's destiny rose and fell with the changing moods of the nation. The Roaring Twenties brought the notorious speakeasys, a logical home for the ubiquitous slots, while the

Depression years of the 1930s saw record productions and the most beautiful and brilliant machines ever designed, now highly collectable. The Golden Age of slots ended in 1950 with the passing of far-reaching federal legislation confining their use. But the growth of casinos in Nevada and Atlantic City, plus recent legalization in more states, has resulted in a resurgence of the slot machine. Slots, highly regarded collectables, are not only a good invest, but are fun to play. Every important slot manufactured during the first 100 years is carefully represented both in text and by more than 600 photographs and newspaper articles, all serving to chronicle this colorful segment of Americana.
