Bill Kurtz : Slot Machines and Coin-op Games: Collector's Guide to One-armed Bandits and Amusement Machines before purchasing it in order to gage whether or not it would be worth my time, and all praised Slot Machines and Coin-op Games: Collector's Guide to One-armed Bandits and Amusement Machines:

0 of 0 people found the following review helpful. Wrong title for bookBy Chris G.The title is a misnomer, being that only one chapter (about 13 percent), or 17 pages out of 125 are devoted to slot machines mostly from the early to mid-twentieth-century. The majority of the book concentrates on coin-op arcade machines in general. Still it's well written with lots of information with color pictures and photos and original ads. A more appropriate title for the book, however, should've been "COIN-OP games with slot machines." If one is into arcade games, I would give the book five stars. But since the book led me to believe that the emphasis was on slot machines, I give it three and a half stars.
