what makes it funny. It's a "gag gift" type of item. Good for a chuckle.0 of 0 people found the following review helpful. SadBy TJ's WifeHaha so I love madlibs. This one stunk! The stories are boring (I was hoping it would be his songs not mini stories about his life. they tend to use the same blanks so whenever they ask you for an animal you know they want you to replace the word "Dogg" . Eat drink and be mad libs is great though! Get that one! I love the idea of adult mad libs!1 of 1 people found the following review helpful.
