By Professor Lion This guide is very well written. It's filled with clues, hints, tips, and strategies. A must have, unless you enjoy toughing it out while you learn the game the hard way. 0 of 0 people found the following review helpful. Interesting Book By Andre Jackson I haven't read too much of the book except the first mission. I had no idea that stealth could be improve and the choice of weapons makes the game play a lot less tedious.
