From G. Schirmer : SOLDIER'S MARCH PERC ENS FROM HISTOIRE DU SOLDAT 6 MALLETS OR 6 SYNTHS 1 PERC before purchasing it in order to gage whether or not it would be worth my time, and all praised SOLDIER'S MARCH PERC ENS FROM HISTOIRE DU SOLDAT 6 MALLETS OR 6 SYNTHS 1 PERC:

(Percussion). A lively new transcription of one of Stravinsky's most popular pieces. Scored for 6 mallet percussion

parts or 6 keyboards (synthesizers) and 1 percussion.
