**From Sikorski : Sonata No. 2, Op. 94a: Violin and Piano** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sonata No. 2, Op. 94a: Violin and Piano:

Edition is mostly fine, first movement has one error in transcription as I found out from one of the greatest violin pedagogues in the US during a masterclass. My biggest issue with this score is that it is printed on glossy paper which is very shiny and hard to write on. That somewhat drives me crazy. 0 of 0 people found the following review helpful.
