Franz Schubert : Sonata No. 21 in B-flat Major, Op. Posth Sheet Music (Piano Solo) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sonata No. 21 in B-flat Major, Op. Posth Sheet Music (Piano Solo):

0 of 0 people found the following review helpful. Nice presentation of a Schubert workBy A Mencken FanThis item is packaged cleanly and maintains its quality over time and moderate to seldom usage, if you will. I'm not using this often, but am very satisfied with its condition. The print quality is very good. I really can't speak to the overall accuracy of much else than the first third of the second movement, because that was my only focus, and besides, i'm functionally musically illiterate. It takes me days and days to do what my children do on sight...or by sight. So, take the statements about accuracy with that caveat

This sheet music was newly engraved from early and authoritative editions. Scored for Piano Solo. Published in 1828.
