From Belwin Music : Sonata No. 8 in C Minor, Op. 13 ("Pathetique") (Belwin Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sonata No. 8 in C Minor, Op. 13 ("Pathetique") (Belwin Edition):

0 of 1 people found the following review helpful. I heard this sonata played by a wonderful pianist from KoreaBy Rudolph E. SellittiI heard this sonata played by a wonderful pianist from Korea, so I had to have it. I won't be able to play it as well as she but I'm working on it. It's easy to read and comes with instructions as to how to play the piece.1 of 2 people found the following review helpful. Scholarly, affordable, brilliantBy Brad DaviachEdition by one of the best Beethoven performers ever, this functions as a reliable/scholarly piece of urtext, while also showing Schnabel's genius/innovative fingering ideas.4 of 5 people found the following review helpful. great book for the valueBy T. DuckenWhen I first heard this Piano sonata the first thing that popped in my head was that I had to learn this genius

piece of music, The second movement actually inspired me to re-learn the piano. The fingering suggestions are great, and everything is there so if you are looking for a cheap copy of this piano sonata, this is it.

This excellent 1949 Artur Schnabel edition of the famous ""Pathetique"" sonata features footnotes in English, Spanish, Italian, German and French. There are also fingering, dynamic, and performance suggestions by the editor.
